Industrial Waste Container

Just one procedure to prepare a manifest for the entire process from collection transport to intermediate treatment to final disposal.

Machi Clean offers comprehensive service from collection/transport to intermediate treatment to final disposal. Our clients need only to submit a manifest, etc., for all the processes of industrial waste disposal, from collection, transport, and final disposal. The service is well received by our clients for its convenience.

Volume: 1.5m³

1.8m × 0.9m × 0.9m
(width × depth × height)

Volume: 3m³

1.85m × 1.75m × 0.93m
(width × depth × height)

Volume: 8m³

3.6m × 1.9m × 1.2m
(width × depth × height)

Volume: 26m³

6.1m × 2.4m × 1.8m
(width × depth × height)
